The issuing of your Business License is for revenue purposes only. It does not relieve you from the responsibility of complying with the requirements of any other departments of the City of Rio Vista and or any other ordinance, law or regulations of the City of Rio Vista, State of California, or any other Governmental agency.

All Business License must be renewed by the expiration date whether or not you receive a renewal notice. Any Change of ownership, address, or business activity, requires a new application. If you are no longer conducting business in the City of Rio Vista you must notify us in writing stating the date you ceased work in the City. A regional or corporate license is not a substitute for a City license.

Final occupancy is subject to inspection and approval by Building and Fire Departments. Additional permits may be required. Zoning permit approval is required by the Planning Department before issuance of a Business License and a permit for a sign may be required.

The number of persons, including owners and managers determines your business license fee. Yours license is due and payable on the first day of business operations and for each quarter year thereafter. If payments are not received thirty (30) days from that date, you will be charged a penalty for each month or fraction thereof that the payment is past due.
